

Our Wish List

Below is a list of supplies, toys, and equipment that we can use in our toddler and preschool classrooms, and during family events. For items such as toys, games, equipment and clothing (except for underwear and socks), we will gladly accept *gently used* items.

If you are interested in donating any of these items please contact us to arrange a drop-off time, we have limited storage space so we prefer to have a scheduled date. If you have questions, or would like more specific information about what we can use, please contact Julia at (612) 721-2762 or juliadavidson@ssfnc.org. Thank you for your generosity!
